

Checklist	✓	✗
1. Register your pool at www.swimmingpoolregister.nsw.gov.au This has been mandatory since 29 October 2013 and you risk getting fined if not done. When you register on the NSW Swimming Pool Register, complete the pool inspection self-assessment checklists available on that site first!		
2. CPR sign current and clearly visible. Must include statements about YOUNG CHILDREN SHOULD BE SUPERVISED AT ALL TIMES, pool gates must be kept closed at all times, clear area 900mm of the pool fence, simple flow sequence for resuscitation techniques on infants, children and adults.		
3. 1.8M Boundary Fence The boundary fence (not the pool fence) must be 1.8M high where it surrounds the pool area.		
4. 30cm Clear Zone Surrounding the entire INSIDE of the pool fence, the area must be clear of ALL objects within 30cm.		
5. 90cm Clear Zone Surrounding the entire OUTSIDE of the pool fence, the area must be clear of ALL objects within 90cm. That includes pot plants, BBQ's, toys, shrubs, etc.		
6. Pool Gate The pool gate must be sturdy and opens towards the outside. Must be self-closing from ANY position and the lock latches automatically.		
7. 10cm Pool Fence Gap The pool fence must be sturdy and stable. The pool fence must not be more than 10cm above the ground level, all the way around.		
8. 90cm Horizontal Bars If you have any horizontal bars or panels across the pool fence, they must be spaced a minimum of 90cm apart.		
9. 1.2M Pool Fence Height Total pool fence height must be 1.2M from the natural ground level to the top of the pool fence, all the way around.		
10. Pool Gate Latch If latch is on the outside, must be 1.5M from the natural ground level to the top of the latch.		
11. Fence Panel Spacing Maximum 10cm space between any vertical pool fence bars and panels, including where the pool fence connects with the boundary fence.		

Disclaimer: This form is to be used as a consumer guide only. Regardless of the outcome, it is NOT assuring your pool area is safe nor is it assuring you a certificate of compliance. It is NOT to be used in place or instead of all the NSW swimming pool ACT, Regulations and laws.
